The ODA is a recognized provider of the ADA's Continuing Education Recognition program (CERP). CERP's role is to evaluate providers and to assist state boards and other organizations that have continuing education (CE) requirements to identify CE providers whose activities are acceptable for credit. CERP does not serve as a registry for continuing education credits.

This form may also be used by members of the Academy of General Dentistry (AGD) in reporting course attendance toward credit for Fellowship/Mastership and maintenance.
