Oregon Dental Association AGD Provider Code: 2738

Course Attendance Verification

Name: _____ ADA or AGD # _____

Address: _____

Important: This form is your record and attendance verification for the mandatory continuing education requirement. All licensed dentists and hygienists are required by the Oregon Board of Dentistry to maintain a record of CE credits earned. **It is the responsibility of each participant to self-report their continuing education hours earned.** Completion codes will ONLY be available at the end of each course.

The ODA is a recognized provider of the ADA's Continuing Education Recognition program (CERP). CERP's role is to evaluate providers and to assist state boards and other organizations that have continuing education (CE) requirements to identify CE providers whose activities are acceptable for credit. CERP does not serve as a registry for continuing education credits.

This form may also be used by members of the Academy of General Dentistry (AGD) in reporting course attendance toward credit for Fellowship/Mastership and maintenance. The
